DPR Cooperative Play Program (Co-Op) Mission Statement

The DPR Cooperative Play Program (Co-Op) advances youth development using outcome-based programming and developmentally appropriate practices in a creative and recreational play environment.

All children grow and develop in different stages. Through structured play and creative experiences, the DPR Cooperative Play Program assists in advancing youth development outcomes, which are the attitudes, knowledge, and behaviors that all children should strive to achieve. Our programming offers young children a solid foundation for emotional, physical, social, and intellectual growth.

Children are encouraged to explore and engage in all experiences offered with the help and guidance of their DPR Facilitator. Creativity within a play environment allows children to develop a positive identity and demonstrate increased abilities associated with knowledge and skills.

Defining Roles – DPR & Facilitators

I. Role of the Department of Parks and Recreation

DPR manages all aspects of the Cooperative Play Program including, but not limited to, the hiring and supervising of the Facilitators, liaison with facilities management, management of registration of children, collection and accounting of tuition, and communication of best practices between Facilitators city-wide.

DPR will make every effort to provide a substitute staff person when the Facilitator is absent; however, there may be occasions when duty parents will be required to operate the program independently. Those occasions should be very rare.

II. Role of the Facilitators

All Facilitators at Co-Op sites have been carefully screened by the DPR Kids, Camps & Co-Op Manager and other DPR staffers for the following: an educational and employment background in early childhood care, education or a related field, a criminal background check, drug test and employment references. The Facilitators meet frequently with the Kids, Camps & Co-Op Manager to discuss the program and services for the parents and children. In addition, the Co-Op staff will participate in professional development seminars offered by DPR throughout the year. Families will be notified via email of those dates.

The Role of the Facilitator:

- ❖ DPR staff member is responsible for leading or coordinating the work of the Co-Op group
- ❖ Provides an overview of the day's goals and activities
- ❖ Ensures that mission of the program is executed professionally and meets desired objectives
- ❖ Enthusiastic with a strong sense of presence and patience to command the attention of the group
- ❖ Model best practices for early childhood development and behavior management

Enrollment Eligibility & Requirements

The DPR Cooperative Play Program is an equal opportunity program. Registrations are accepted without regard to race, religion, sex, national origin, sexual orientation, marital status, or political beliefs.

The following programs are listed according to the available age of enrollment. Participants are eligible for enrollment based on age requirements. Listed below are the sites and the corresponding age minimum:

- ❖ Chevy Chase Recreation, Columbia Heights (Caterpillars), Raymond, Turkey Thicket, Friendship, Rose Park and Volta Park (Bunnies) programs:
 - *Children must be 18 months old by September 30th*
- ❖ Chevy Chase Community Center (Lions), Columbia Heights (Butterflies), Guy Mason, Volta Park (Rabbits) programs:
 - *Children must be 2 ½ years old by September 30th*

All parents/guardians must show proof of the child's age by showing a copy of the child's birth certificate or a passport. This information should be scanned and emailed to cooperative.play@dc.gov. In addition, all parents/guardians must show proof of residency by providing two of the following documents listed on *page 6 or pages 23-24*. Please scan and email to the same address (cooperative.play@dc.gov).

Potty Training and Bathroom Duties

The 18 to 29 months old Co-Op groups do not have potty training requirements. Children participating in the 2 ½ - 4 age programs are to be at least in the process of potty training (using pull-ups) before beginning the program in September. **No child will be accepted into the 2 ½ -4 year old group still wearing diapers.** All DPR staff and Duty Participants will assist with bathroom duties.

Health Certificate

ALL children must have a current DC Universal Health Certificate form.

Oral Health Assessment

The DC Department of Health recommends that all children *3 years of age and older* have an oral health examination performed by a licensed dentist and have the DC Oral Health Assessment Form completed.

The DC Department of Parks and Recreation requires that each assessment form be completed and submitted to the Co-Op program before October 1.

Immunization Policy

Prior to the first day of participation in the Co-Op program, the parent or guardian must provide the Facilitator with the District of Columbia Adult Staff Health Certificate (adults) and DC Universal Health Certificate (children). DC Universal Health Certificate must include the specific dates of immunization for the following communicable diseases:

- ❖ Diphtheria and Tetanus (usually combined)
- ❖ Polio (3 doses of oral or 4 doses of vaccinations)
- ❖ Measles
- ❖ Mumps
- ❖ Rubella
- ❖ Tuberculosis Assessment and testing
- ❖ Lead Poisoning Assessment and testing
- ❖ Varicella - DPR requires all children who have not had the chicken pox to receive the vaccine. Please state on the Health Certificate one of the following: my child had the chicken pox; my child didn't receive the vaccine and state why; or have doctor complete date of vaccination on form.

Age Verification

Each family must provide age verification of your child to the Cooperative Play Office.

Proof of Residency

All families must show proof of residency by providing **two** of the following documents:

- i. Valid DC-government issued photo ID

- iv. Valid DC motor vehicle registration
- v. Valid lease or rental agreement
- vi. A notarized letter signed by the person(s) with whom you reside. The letter must include your name, your child(ren), and address. Also, two pieces of mail with your current name, address, and date, must accompany the notarized letter valid DC-government issued photo ID, pay stubs (issued within the last 45 days), Utility bill (gas, electric, or water within the past 2 months), Valid DC motor vehicle registration, Valid lease or rental agreement, and a notarized letter signed by the person(s) with whom you reside. The Co-Op program fee is \$1,920.00 for residents and \$2,560.00 for non-residents per program year. There is a separate **non-refundable** registration fee of \$75 **due at the time of online registration**. Prior to the start of the program year, a seat deposit of \$192.00 must be paid by August 10th. In addition, each child must be enrolled into the program to occupy a space, one child=one space. Multiple children cannot share one space. For example, Jason is enrolled into the program and attends Mondays, Wednesdays and Fridays but allows his friend Lee attend the program in his absence on Tuesdays and Thursdays. This is not permitted. Both Jason and Lee must be enrolled into the program and occupy their own space.

Late or non-payment of enrollment and registration fees is grounds for termination from the program.

Monthly invoices are emailed just prior to the 1st of every month. A reminder will be emailed to families on the 5th late day. **Children may be dismissed from the program if payment has not been received by the 10th day of that month.**

In addition, if Co-Op is closed due to inclement weather, the monthly payment amount will not be prorated.

DPR does offer a reduced rate option for qualifying families. For more information, please contact the Co-Op office at 202-671-0421 or cooperative.play@dc.gov.

Co-Op Calendar

The Co-Op program will begin on Tuesday, September 7, 2021, and will end on Friday, May 20, 2022. The Co-Op program will follow the DC Public School calendar. This calendar includes scheduled holidays, winter and spring breaks, and vacations with the exception of Professional Development days. Co-Op facilitators will attend DPR Professional Developments on: November 2, 2021; January 26, 2022; March 11, 2022 and April 18, 2022. **Please see the Program Calendar for more information.**

Co-Op Closings

When DC Public Schools are closed or have a delayed opening of two hours due to inclement weather, all Co-Ops will be closed. **Please check your local media news outlet for this information.**

When a location must close for any other reason, the Facilitator will notify the Parent President by phone/email. In addition, the Facilitator or Kids, Camps & Co-Op Manager will follow up with an email to all the Parents. Possible reasons for closing a location include but are not limited to:

- No heat
- No air conditioning
- No water
- Health emergency specific to that building
- Other adverse conditions that affect the ability to deliver a quality program

Should an emergency occur that requires relocation of the Co-Op program during normal operating hours, staff will make every effort to identify a more suitable facility.

Registration

Program registration and movement including switching locations, new enrollments and waitlist placement will close December 31, 2019. However, the **final decision**, made by the Kids, Camps & Co-Op Manager, will be decided on a case-by-case scenario.

Waitlist

In the event that a Co-Op site is full, parents may request placement on a waiting list. If your child(ren) is currently enrolled in at a site, our child can be placed on a maximum of 3 waitlists. If your child(ren) is not currently enrolled in a program, you can be placed on a maximum of 4 waiting lists. Any waitlist list action, including switching locations must occur by December 31, 2020. If necessary, the Kids, Camps & Co-Op Manager will make the final decision on a case-by-case basis.

Withdrawal

In the event that a family withdraws from the program and they have paid the program fee in full (\$1,920 *residents* and \$2,560 *non-residents*), they will be refunded for the months that the child did not participate. For example; if a residential family decides to withdraw from the program in November, and they paid the program fee in full, they will be refunded for the months of non-participation, December-May, in the amount of \$1,152. Please note a 10% refund processing fee will be charged. We do not prorate for mid-month withdrawals or enrollments.

Arrivals and Departures

The Co-Op program meets Monday through Friday from 9:00 am to 12:00 pm. Children whose parents are not Duty Participants that day should not be dropped off until the session begins at 9:00 am. Children should be picked up no later than 12:00 pm. As a courtesy to your Facilitator and your children, parents are asked to arrive promptly to pick up children at the end of each daily session.

Children will be greeted by a DPR staffer at the entrance of the building for both arrival and departure. Parents will be asked a series of questions to assess health each day. Children will not be released to anyone other than a parent or designated caregiver, unless previously communicated to the Facilitator in writing.

Duty Participants

Duty participants are an integral part of our Cooperative Play Program, as well as being an essential component of maintaining the proper adult-child ratio. All families participating are required to have one duty parent volunteer at least once weekly. All persons in a family that will be serving duty days, are required to complete an online Department of Parks and Recreation volunteer application form and a Criminal Background Check before serving duty days. All parents or caretakers who will be volunteering for duty days must have Physical/TB test. Every effort is made to ensure that all parents are scheduled equally. Duty day calendars will be distributed via e-mail on a monthly basis by the Local Parent Advisory Board Scheduler or designee, and a copy will be posted on the playgroup bulletin board. Since each situation will vary when enrolling in the Co-Op program, all families should plan on one duty day per child per week. Duty parents are required to report at 8:45am to prepare the facility. If a parent is unable to complete his/her duty day, they must make arrangements as soon as possible for another parent to cover for them. **Parents are allowed up to**

three unexcused absences before they are asked to withdraw from the program.

Duty day participants are required to follow the routine as outlined by the Facilitator with implementing daily routine, including but limited to:

- Assist with the daily activity; preparing and leading the activity as assigned.
- Interact and assist in supervising all children.
- Assist with hand washing.
- Share responsibility with other parents for toilet usage or diaper changes.
- Prepare snack.
- Clean tables and sweep under them after snack time.
- Tidy playroom.
- Assist in supervising outdoor play.
- Watch the children at all times. Never leave them unattended. Duty participants are responsible for supervising ALL the children, not just their own.
- Interact with the children at their own level, participate in activities, songs, etc. and sit at the tables or on the carpet.
- Show a genuine, friendly interest in the children and their activities. Let them be independent. Move into the situation if the child is in danger, is becoming frustrated with a difficult toy, or is having problems in a social situation.
- Cell phones should not be on or in use during supervision of children, unless an emergency arises.

Nanny/ Duty Participant Policy

In an effort to make Co-Op available to all families, regardless of the employment status of the parents, the District policy is to allow nannies, or other primary caregivers (such as grandparents) to perform Co-Op participants duties. All caregivers *must* complete a background check through the DC Department of Parks and Recreation prior to serving duty days.

Sibling Policy

When a parent has two or more siblings enrolled in the same center it will be the decision of that particular local Co-Op parent board, in conjunction with the Facilitator, whether that parent will be required to work twice the number of duty days as single-child family's work. Consideration will be paid to the total number of children in the class, the number of families enrolled with more than one child, and the experience and opinion of the Facilitator.

Duty participants are NOT allowed to bring non-enrolled siblings, including infants, to the program and are expected *to provide alternate childcare arrangements* for all siblings not enrolled in the program. In the event that alternate childcare cannot be arranged, the duty participant can exchange their duty day with another duty participant. Such an occurrence should not happen on a regular or frequent basis and would be considered an emergency or exceptional situation.

Maternity Leave

In cases where a child is born or adopted shortly before or during the program, the parent will be entitled to six weeks off from duty days, which must be made up. Each parent group will determine

the schedule and manner in which the duty days missed will be made up. Some families may find it more convenient to schedule a substitute caregiver to complete duty days rather than making them up before or after the maternity leave.

Daily Activities

All families are responsible for preparing projects or daily activities throughout the year. The number and frequency of the activities varies by center and will be determined at the beginning of the year based on the number of children and the Facilitator's preferences. Additionally, the parents may be responsible for assisting with the decoration of the playroom and/or bulletin boards.

Resources are available from DPR to help Facilitators and parents plan activities.

Sample Daily Routine (** Daily schedule may vary by center**)

9:00 am – 9:30 am	Free Play & Welcome
9:30 am – 9:45 am	Clean up Time
9:45 am – 10:15 am	Circle Time
10:15 am – 10:30 am	Potty Break
10:30 am – 11:00 am	Activity
11:00 am – 11:30 am	Snack
11:30 am – 12:00 pm	Outside/Free Play/Story Time

Outdoor Play

In the winter months, when the temperature falls below freezing (32 degrees), outdoor play will be at the discretion of the facilitator. We will use the temperature as indicated by www.weatherbug.com to make the determination whether or not to go outside.

Snacks

During each class the children have a snack provided by the parents on a rotating basis. The frequency of snack duty varies by center. Each parent group will determine the best snack procedure for their Co-Op.

Peanut Policy

Due to the potentially fatal nature of peanuts for children or adults with allergies, **DPR is a peanut-free agency and Co-Op is a peanut-free program.**

Snack Ideas

The Co-Op program promotes healthy eating, listed below are some suggestions:

- ❖ Cheese and crackers
- ❖ Muffins
- ❖ Goldfish Crackers
- ❖ Sandwiches
- ❖ Jell-O
- ❖ Pizza on English muffins
- ❖ Smoothies - blend yogurt & fruit
- ❖ Non-sugared breakfast cereals
- ❖ Applesauce
- ❖ Yogurt
- ❖ Fruit, fruit salad or fruit chunks on skewers
- ❖ Fresh Veggies

Snack Non-Participation

If a family objects to participating in a shared snack for reasons of health or religious concerns, that family may send their child with a personal snack to Co-Op every day. The snack will be eaten at the same time as the group snack, should not be overly complex or require strenuous preparation by the parents on duty, and must abide by the peanut policy.

Healthy Habits

In order to both reduce the incidence of communicable infection and teach good habits to the children, the Co-Ops will abide by the following:

- Supervised hand washing with soap and warm water at least once per day and before all meals/snacks.
- Ideally hands should be washed three times a day – upon arrival in the morning, before snack, and after playground.
- Use of hand sanitizer is encouraged multiple times throughout the program time frame.
- Duty Participants and Facilitators should also wash their hands upon arrival.
- Duty Participants will wear plastic gloves for serving snacks.
- Toys will be cleaned weekly

Health Issues/Sickness Policy

An ill child should be kept at home. Many communicable diseases start with cold-like symptoms. The Facilitator should be informed about the nature of any illnesses. If, at any time, the Facilitator feels that your child is too sick to remain in the program, you will be notified. We expect you, or someone designated, to pick up the child IMMEDIATELY. It is to your advantage to establish a back-up person upon whom you can depend in the case of such an emergency. This policy is designed to maintain the health of all the children and the staff.

Children should not be sent to the program, and will be sent home, if any of the following are apparent:

- A temperature of 101 degrees or more (Children may return to the program after being fever free for 24 hours without the aid of medication)
- Conjunctivitis, until treated and cleared to attend the program
- Contagious diseases including, but not limited to, measles, chicken pox, mumps
- Unidentified rashes

- Vomiting or diarrhea
- Impetigo, lice or ringworm, until treated and cleared to attend the program
- Severe cold with fever, coughing, sneezing, and/or nose drainage
- Bronchitis or other throat infections, until treated
- Pain reported in stomach or head
- Inability to participate in daily activities

A medical exemption maybe given in the case of a child deemed to have a medical contraindication to an immunization, if a physician’s signed statement is provided as proof. A religious exemption maybe granted upon receipt of a signed statement (reason) or request by a parent or guardian.

A non-immunized child may not be allowed to attend the Cooperative Play Program if any cases of the communicable diseases listed above have been identified in children attending the program or if District of Columbia Health officials have determined that an outbreak or communicable disease exists in the area.

Medication

No medication will be administered at any Co-Op site by any DPR staff. A child’s parent is the only person authorized to administer medication to their own child. If your child has a prescribed Epi-Pen, our staff are trained in administration. Please be sure to provide explicit instructions, along with a copy of the prescription.

Injury Policy

If a child is injured during the program day, how it is handled will depend on the severity of the injury.

- In the event of a serious injury, 911 will be called and the parents will be notified so they can meet the child at the hospital.
- In the event that an emergency room visit is not immediately necessary, but parental attention is required sooner rather than later, the parents and/or secondary emergency contact will be called so the child may be picked up from the program.
- In the event that the child can continue with the program day, the Facilitator will apply first aid (for minor injuries such as scrapes, scratches, or a bloody nose), and the parent will be notified of the incident at pick-up.
- In all cases, the Facilitator will complete an Incident Report, which will be filed with the Cooperative Play Program Coordinator and DPR Risk Management.

SEE: APPENDIX A: Cooperative Play Emergency Plan

Parent Advisory Boards (PAB)

The Local Parent Advisory Board is a group of parents who:

- Meet monthly to discuss matters relevant to some or all Co-Op programs.
- Act as arbiters in disagreements between parents and the local parent board.
- Act as the program’s liaisons to the Facilitator and as needed, the Kids, Camps & Co-Op Manager.

At each center, the parent group should elect officers to assist with the smooth running of the Co-Op. Each center may determine their own positions, with the below list as a guide. At a minimum, all centers should have a President and Treasurer, and at least one regular representative to the Parent Advisory Board. The Local Parent Advisory Board (site-based) should meet at least 3-4 times during each program year but can meet monthly if the entire base sees the need to meet more frequently.

- I. President - Preside at all board meetings; oversee all board members to ensure jobs are being done and the business of the Co-Op is running smoothly; sign Co-Op local parent fund checks as necessary; meet with parents and Facilitator as necessary to help resolve issues; and for regularly scheduled meetings.
- II. Secretary - Keep minutes of board meetings; receive money; make a copy for the board president to approve before distributing it to the board; submit a typed copy for publication via e-mail; create and update phone tree and roster as necessary.
- III. Treasurer - Keep financial records; pay all bills, receipts, sign checks, monitor financial condition of Co-Op and report to board; maintain monthly records; prepare yearly financial statement and proposed budget.
- IV. Scheduler - Maintain a common class calendar and record of duty days for all participants. Identify number of duty days required during each period and remind parents to sign up for duty days. Assist parents in finding substitutes when they are unable to work on a given day.
- V. Bulletin Board Coordinator - Maintain bulletin board; keep notices tidy and current; post photos of board members with job descriptions in fall; post newsletter; display calendar listing special events, holidays, all monthly meetings, field trips, etc. Gather information from Scheduler and Field Trip Organizers.
- VI. Field Trip Organizer - Work with Facilitator and parents on dates, times and location; inform Scheduler and Bulletin Board Coordinator of dates, times and locations. Announce upcoming trips at parent meetings.

Membership on the Co-Op Parent Advisory Board (PAB) is open to all parents who are willing to attend meetings 3 or 4 times during the program year. The PAB group will have a minimum of one representative from each Co-Op site (usually the local PAB President). In cases involving a vote to the Co-Op Advisory Board, each site will be entitled to one vote.

Parent Advisory Board Fees

In addition to program fees, the local parent group will collect a supplemental fee which is used to fund class activities, field trips and parties. The fees will not exceed \$50 per program year per child. Supplemental fees are due to the Co-Op Treasurer on the day chosen by that site's Parent Board. **DPR staff will NEVER accept money for any Co-Op related activities.**

Behavior Management Policy

One of the key objectives of the Co-Op program is the development of social skills in preschool age children. Unacceptable behavior is typical at this age and can be viewed as another teaching

opportunity for the program. Therefore, it will sometimes be necessary for parents and Facilitators to intervene when children are behaving badly. In such cases, the following guidelines will apply:

Discipline should be:

- Presented in a positive manner.
- Appropriate to the developmental level of the child.
- Designed to assist the child to learn appropriate behavior.
- Implemented as soon as possible after troublesome behavior.

Use positive statements whenever possible, such as “The sand stays in the sandbox.” rather than “Don’t throw the sand.” and “Use your inside voice.” instead of “Stop shouting.” Language is a valuable outlet for feelings and we encourage children to use words to make their needs known instead of pushing or hitting.

The following is NOT permitted at ANY Co-Op site in ANY situation:

- Spanking or other types of corporal punishment.
- Sarcasm, belittling, and degrading remarks. These are humiliating to a child and can produce a mental block, which can hinder development of good self-image and inhibit the ability to pay attention and learn.

The use of “time outs” will be at the discretion of the Facilitator; redirection of a child is encouraged to reduce problem behavior.

While adjustment challenges are natural and expected at the beginning of the year, occasionally, a child will continue to have behavioral issues. Examples include children who are overly aggressive, bite frequently or with extreme severity, or refuse to follow adult instructions, potentially endangering themselves and others.

In such cases, parents of the offending child will be notified that there is an issue, and an action plan will be developed in coordination with the Facilitator and the PAB President. To the extent an improvement is not noted, the child will be placed on probation for an agreed upon period (generally 60 days). If the behavior has not subsided by the end of the period, it will be at the discretion of the parent board and the Facilitator whether the child will be subject to dismissal from the program. DPR has the right to use discretion in dismissing children.

Field Trips

Trips outside of the Cooperative Play sites might be planned to broaden the children’s environment into the community and enhance the overall experience for each child. The Co-Op program might have field trips planned throughout the year, coordinated between Facilitators and parents, in conjunction with DPR. **Each child must have their own chaperone for each field trip.** A cleared Duty Participant is **required** to attend each field trip. No other parent or caregiver will be allowed to attend field trips. Field Trip Organizers can arrange trips. Co-Op Facilitator must submit the request to the DPR Service Request Center (electronic).

Requests should be submitted to the Cooperative Play Facilitator, who will enter the pertinent

information into the online DPR Service Request Center. Required information includes:

- Co-Op Site Name
- Name of Destination
- Street Address of Destination
- Departure Time (from Co-Op site)
- Return Time (back to Co-Op site)
- Mode of transportation (e.g., DPR bus, public transportation, parent vehicles)
- Number of children participating
- Number of adults participating
- Signed permission slip for each participating child

Timing guidelines for submitting field trip requests are as follows:

- Out of town travel (**outside DC**) Requests must be submitted *electronically* at least 30 days in advance of the trip
- Local travel (**inside DC**) Requests must be submitted *electronically* at least 14 days in advance of the trip

Please be sure to deliver the required information to the Facilitator in sufficient time for entry into the online system within the required timeframes.

Sibling Policy for Field Trips

Siblings who are not enrolled in Co-Op may participate in field trips; however they cannot ride on DPR Transportation. Parents/caregivers must remain cognizant of their roles as chaperones for the entire group, not just for their own children.

Attire

In order to foster a clean and safe environment the Co-Op program requires that all duty participants and children are properly dressed for the program every day. Some suggested items of clothing are:

- T-Shirts
- Athletic shorts (No pockets or belt loops)
- Sweatpants or Wind Pants
- Sweatshirt without strings or pockets
- Socks
- Sneakers with laces or Velcro (No open toe shoes, sandals, flip flops, or wedges)

What to Bring/Not to Bring to Co-Op

Children should not bring money, candy, bottles, or sippy cups to the site. Children are allowed to bring toys for morning meeting or share time on designated days. Each child must be appropriately dressed for the weather every day with hats, heavy coats and mittens in cold weather, snow boots in snow, sunscreen on sunny days (applied at home) and rain gear in the rain. Each child must also have a weather appropriate change of clothes left at their play site that includes at least a pair of socks, underwear, pants and a shirt in the event they get wet in a puddle or someone spills juice, etc.

Termination

Though rare, there are occasions when there is not a fit between a family and the Co-Op. Some examples of when this may occur are:

- When a parent fails to comply with their assigned duties.
- When a parent does not regularly attend parent meetings.
- When people do not pay required fees (to the District or local parent fund).
- When a child has a severe or consistent behavior problem.
- When a parent does not follow the procedures outlined in this manual.
- When disruptive and/or inappropriate behavior (verbal or physically) by parent, guardian or designated drop-off and/or a pick-up person will result in termination immediately.

The process for correction will be as follows:

- The Facilitator or a PAB President will identify the issue.
- PAB President will communicate issue in writing, to the respective family.
 - Please be sure to copy your Facilitator on this type of correspondence
- An action plan, complete with dates and goals, will be developed, and included in the written communication to the family in question.
- If the goals are not achieved within the stated period, the KC&C Manager will have the discretion as to the termination status of the family, upon review of factual evidence from Facilitator and Parent Board.

Appeals

If a family feels that the action plan or termination decision has been made in error, the case could be referred to the Kids, Camps & Co-Op Manager. In such case, the parent will appear on their own behalf, and either the regular representative to the Board or his/her designee will present on behalf of the Parents Group.

The decision of the Kids, Camps & Co-Op Manager will be final and binding.

APPENDIX A: *Cooperative Play Emergency Plan*

SAFETY PRECAUTIONS

- Children will be supervised at all times.
- On wet days or snowy days, children will not be allowed to play on playground structures.
- Parents as a group will determine whether they consider any portion of the playground unsafe for their children to play in and set limits as to where children can play.
- Children must remain seated during snack time.
- Facilitators will have an emergency action plan available at the site in case of evacuation or injury.
- Facilitators and Duty Participants will not use cell phones during programming, unless they have to take an emergency phone call and the Assistant Facilitator will be notified of to cover.
- Facilitators and Duty Participants will coordinate specific areas of supervision, or specific children to supervise, during the program.
- Facilitators will have an emergency phone list available at site.
- Co-Op volunteers are required to be actively engaged in the supervision of all children while serving duty days.
- Facilitators will monitor first aid supplies and request additional supplies as needed.
- Facilitators will have up to date CPR and First/Aid certification. DPR Staff will schedule course opportunities. Duty Participants are encouraged to take CPR and First Aid certifications programs also.
- Each Co-Op site will have an emergency evacuation location identified at the site in the event of an emergency. These locations will be provided prior to the start of each year.

EMERGENCY ACTION PLAN

1. Assess the situation quickly.
2. Make sure all children are removed from harm.
3. Call 911, if needed.
4. Apply first aid, if needed.
5. Call the child's parent. If the parent is not available, call the secondary emergency contact. If they cannot be reached, the Facilitator and Co-Op-volunteers will collaborate to make a decision on how to proceed.
6. Call the Cooperative Play Program Support Assistant.
7. If first aid was applied or a head injury occurred, complete an Incident Report Form that includes all details of the incident.
8. Facilitator will provide a copy of Incident Report to parent (if requested) and Co-Op Program Support Assistant (who will notify the Risk Management Office and submit a copy of the report). The Facilitator will retain a copy in the program files.
9. Place request for replenishment of first aid supplies, if needed.

Communication and Contact Information List Serves

Communication between parents within a Co-Op group is imperative. For this reason, each Co-Op site should establish an e-mail group or list serve (Yahoo, Google, and other web services offer them for no charge). A shared electronic calendar is also available in the same forum, and makes an ideal place to publish duty days and the Co-Op calendar.

Cooperative Play Program Office Staff

Behind the scenes, Co-Op Staff are planning and providing support to all of the Co-Op programs across the city. The office staff contact information is as follows:

Tania Butler Co-Op Program Support Assistant	taniam.butler@dc.gov	(202) 671-0421 (office) (202) 702-9420 (work cell)

PATRON SAFETY MEASURES

DPR takes a hard stance towards keeping patrons safe as we continue to navigate this pandemic. In addition to thorough training of all DC health advisories for DPR staff, the following safety measures below are practiced:

- **Information Sharing:** Data related to COVID-19 changes constantly. From mayoral briefings and other sources, DPR receives updates. These updates will be shared with families as they become relevant to the operation of this program.
- **Health Screening:** On a daily basis, DPR staff will conduct health screenings on all Co-Op participants. This will consist of a set of questions, posed to the drop-off parent, inquiring about things such as any display of symptoms from participant or family members, to interaction with someone who may have been infected with the virus.
- **Social Distancing:** While in the Co-Op space, social distancing will be constantly weaved into the day's activities. All Co-Op programs are in locations where there is ample room for social distancing. Further, each location has an Isolation Room available should the need arise.
- **Cleaning & Disinfection:** Co-Op spaces will be cleaned and disinfected on a daily basis, as well as during the 3-hour programmatic time frame. Participants will be instructed to clean hands often (using soap and water as well as hand sanitizer) and proper use of PPE.
- **Masks:** To emphasize and reiterate, DPR takes safety very seriously and thus, follows guidance from the DC Department of Health when making decisions for our programming needs. In that vein, please see below for mask rules for Co-Op participants:
 - ** Participants aged 18 months to 29 months: **No masks** required during the program (M-F 9a-12p).
 - ** Participants aged 2.5 years to 4 years: Masks **must be worn** for the entire duration of the program each day (M-F 9a-12p).
- **COVID-19 Vaccinations:** Given the current Mayoral Order requiring all DC government staff to be fully vaccinated, Co-Op Duty Participants **must be fully vaccinated**, as they serve as volunteers/non-paid staff. As a reminder, participants are not required to be vaccinated, as there is no vaccine available for their age group. **Proof of Duty Participant's vaccination must be submitted to the Program Support Assistant no later than September 30, 2021.** Feel free to email to cooperative.play@dc.gov

Q. My child turns 2 ½ in November, should I sign him/her up for the 2 ½ - 4 year old group?

A. No, all children must be of age by September 30th. In this case, your child will be 2 ½ after September 30th and therefore should be enrolled in the 18-29 months old group and you have the option to waitlist him for one of the older sites. If/When a space becomes available in that desired older group, we will extend the invitation to have your child join the group.

A. No, your child will remain in their current age group until the end of the program in May.

Q. What credentials/trainings are there for the facilitators?

A. Co-Op is a recreation program and not an educational program; therefore DPR refers to staff as facilitators and not teachers. Due to the fact that this is not an educational program, DPR does not require any special certifications, however it is required that all facilitators have a significant amount of experience in working in an early childhood environment.

Q. I know that some facilitators speak Spanish; can I sign my child up for their site to learn Spanish?

A. DPR is an equal opportunity employer and we do employ facilitators of Latin and Hispanic descent; however the children are not taught Spanish, nor is Spanish a part of the Cooperative Play curriculum.

Q. What are the policies regarding Co-Op closures?

A. The Cooperative Play program follows the DC Public School (DCPS) calendar and closures. Any scheduled holidays, winter and spring breaks, and vacations (with the exception of Professional Development days) the Co-Op program will be closed. Occasionally, Co-Op facilitators will attend DPR Professional Developments trainings; when this happens dates and times will be communicated in advance. In the case of snow delays or closings, Co-Op follows DCPS' policy (not DPR). If DCPS closes or has a two-hour delayed opening due to inclement weather, the Co-Op program will be closed for the day. In the event that a site has to close due to heat or a maintenance issue, the Co-Op will most likely be relocated to another site. In the event of relocation, parents will be notified by the Co-Op office.

Q. Are the registration and/or seat deposit refundable?

A. No, neither the \$75 registration fee nor the \$192 (*resident*) or \$256 (*non-resident*) seat deposit are refundable.

Q. Is the seat deposit due all at once?

A. The deposit of \$192 (*residents*) or \$256 (*non-residents*) is typically invoiced in August. **Seat deposits must be paid in full prior to starting the program (typically August 1).**

Q. Is the seat deposit deducted from the program fee?

Q. Is there a sibling discount?

A. DPR does not offer a sibling discount.

A. Please contact the Cooperative Play office and we will contact DPR's finance department to review and adjust the program fee on your account. *(Please note that if there is an outstanding balance from another program or permit, that balance must first be paid.)*

A. Monthly payments are due the 1st of each month; invoices are sent a few days prior. There is a grace period given until the 5th of each month.

Q. How (by what payment methods) can I make my monthly payment?

Q. Will the program fee be prorated if a child is enrolled after the start date?

Q. If I have paid the program fee in full and decide to withdraw from the program before May 2022, am I eligible to receive a refund?

It is highly suggested that you communicate your decision with your facilitator; however, please note that the fees will not be adjusted and duty day(s) must be completed.

A. The waitlist movement is sporadic. It's unpredictable movement that happens due to many factors, including but not limited to job relocation, moving, transferring between sites, family's change of hearts etc. There is no direct answer on how long it will take a child to get called off the waitlist.

Q. What is the role of the Duty Participant?

Q. In the event that I cannot complete my duty day, can another family member/caregiver/nanny complete my days for me?

A. In an effort to make Co-Op available to all families, DPR's policy is to allow nannies or other primary caregivers (such as grandparents) to perform Co-Op participant duties. However, all caregivers ***must*** complete a DPR volunteer application form and pass the DPR-administered DC Metropolitan Police Department (MPD) criminal and background check before serving duty days. *(Please note that DPR must initiate the process for the MPD background/criminal check.
